Ryan Tos - Chair of Bond Oversight Committee

On June 18, 2024, the Bond Oversight Committee met to review the bond activities and expenses for 2023-2024. We went over all the projects listed in the Bond measure and elected officers. The new officers are Ryan Tos, Chair, and Dan Jackson, Vice Chair.

Projects that have been completed or in process were shown to comply as far as monies spent as of the current date. It is the consensus of the Committee that all projects and monies are well accounted for, and that the Bond Measure is on the correct path.

Kingsburg JUHSD ATP students will be issued a student ID card each school year. Students should always have their identification cards with them. During Community Based Instruction and Work Based Learning outings students will take their ID card with them.

Parent Communication

When you have a concern about your student's education, it is important to contact your student's teacher or Kingsburg JUHSD ATP Administration to talk about your student and any problems you see. When you have a concern, this informal conversation often solves the problem and helps to maintain open communication. If you need to talk to your student's teacher, you may call the Kingsburg High School office at (559) 897-5156 or the Kingsburg JUHSD District office at (559) 897-7721 and leave a message. Your student's teacher will return your call within 48 hrs.

The KJUHS ATP has early-outs the week of finals. The end time for early-outs is 12:35 p.m.

A schedule will be provided for the dates of these delayed starts and early-outs.

Student Supervision

Students' General Health

Our students' general health and well-being is important to function in classroom and community activities. If there are any changes in your student's health status, please notify your student's teacher.

KJUHS D Authorization For Medication Taken During School Hours

Any Kingsburg JUHS D ATP student that requires prescription medication during school hours must first submit a KJUHS D Authorization for Medication During School Hours form along with a signed Physician Authorization form. All medications must be prescribed, including over-the-counter medications. Medications must be in the original container and the label must include the student's name, name of medication, dosage, method of administration, and the name of the physician. If there are any changes in medications your student is taking during school hours, it is important that you immediately notify your student's teacher. All prescribed medication will be stored in a locked cabinet in the Kingsburg High School Office. No prescribed medication is allowed to be kept in the student's classroom or backpack. Either a KJUHS D Nurse or Health Care Specialist must administer all prescribed medication. *** Completed Forms Are Only Valid For The Current School Year**

Student Illness

Kingsburg JUHS D ATP strives to keep a safe environment so that all students can attend school. Regular attendance is important for each student to reach his/her I.E.P. goals however, there are times when illness interferes.

Any student that develops symptoms (i.e., high fever, eye, or skin irritation, vomiting or diarrhea) while at school a call will be made to the parent/caregiver or the emergency contact person to come and pick them up. It is important that Kingsburg JUHS D ATP personnel have current phone numbers for both the parent/caregiver and the emergency contact person.

Student Injury

Should your student be injured during school hours, the severity of the injury will dictate what action is taken and parents will be notified as soon as possible. Should emergency transport be required, an ambulance will be called immediately to transport the student to the nearest hospital as requested by the parent or determined by EMS personnel. School personnel will tend to minor scrapes, cuts, and bruises, parents will be notified. Injuries that do not require emergency care but need more than first aid will be referred to the student's parents or guardian for care or transportation to medical attention.

Student Breakfast & Lunch

Breakfast and lunch are provided by KJUHS District Nutrition Services.

Transportation

To ensure safe transportation, students must act responsibly when riding the KJUHS D suburban. All students being transported are under the authority of the district driver and must follow his/her bus requests. Discipline on the

suburban will be handled according to established procedures detailed in the KJUHS District bus transportation guidelines along with the IEP process.

Suburban Pick Up or Drop Off Change

Any changes in your student's pick up or drop off location needs to be phoned to the Kingsburg JUHS District Office, at least three (3) days in advance. A new pick-up or drop change may take up to 3 school days to implement. KJUHS District Office will contact parent/guardian when the request will be implemented.

Students Personal Property

All personal property brought to school should be marked with the student's name. Kingsburg JUHSD ATP will not be responsible for the loss or theft of personal property.

Unacceptable Items At School

Alcohol, tobacco products, drugs, toy guns, knives, or toy weapons of any kind are never allowed at school. If any of these items are brought to school, the student is subject to suspension according to the KJUHS suspension policy.

KJUHS Cell-Phone Policy

Students may possess cell phones on campus. If the parent needs to contact their student, please call Kingsburg High School Office at (559) 897-5156.

Student Discipline

Consistent with the Education Code, the KJUHS's student discipline policies and regulations clearly outline unacceptable actions by students against people and/or property. The general safety, well-being, and educational goals of all students must be considered, along with the rights and responsibilities of everyone. Therefore, when the action of suspension is deemed necessary, it is to protect the physical safety of other students and/or staff and to ensure that classroom instruction continues without interference. In the event of a suspension transportation will be postponed during this time. The student must be brought to school either by a parent/caregiver for a meeting with Kingsburg JUHSD ATP administration prior to coming back on campus.

Kingsburg JUHSD ATP Dress Code

Kingsburg JUHSD ATP believes that appropriate dress and grooming contribute to a productive learning environment. Students have the right to make individual choices from a wide range of clothing and grooming styles, but they must not present health or safety hazard, or a distraction which interferes with the educational process. Prohibited items include disruptive clothing, inappropriate slogans, or illustrations, revealing attire, dangerous or unsafe apparel, and gang related articles. Any attire or adornment which creates a safety hazard for the wearer or others is prohibited. Included within these criteria is the expectation that all students will wear shoes.

Internet

No student will be allowed to access the Internet unless the student and parent/guardian has signed and returned the KJUHS D Acceptable Use Policy (AUP) for Internet use. Students are expected to use district technology (such as computers, tablets, Wi-Fi Internet, email, USD drives, smart devices, and other electronic devices) safely, responsibly, and for educational purposes only. Information on KJUHS D Internet and network policies is included in the data confirmation process at the beginning of each year.

Kingsburg JUHS D ATP & Student's Individualized Education Plan (IEP)

Each Kingsburg JUHS D ATP student, in accordance with IDEA, has Annual/Triennial IEP meetings where the IEP team develops the student's educational plan.

Community Based Instruction Participation

Community Based Instruction provides students opportunities to learn skills and experience events outside of the classroom and in the community. Community settings and target skills are selected for students by evaluation of their individual needs and recommendations made by students, parents/guardians, and teachers. Community-Based Instruction is direct, planned, continuous instruction. Community settings are visited repeatedly to provide instruction for target skills. Instructional procedures are determined, and materials are secured prior to entering community sites. For students to participate in Community Based Instruction outings all required paperwork must be signed by parent/guardian and returned to the ATP Teacher or Kingsburg JUHS D office.

Work-Based Learning Participation

Work-based learning is supervised, school-coordinated activities which provide students with disabilities the opportunity to achieve employment related skills in a workplace environment. These activities extend the classroom into the workplace and are tied to the students' IEP goals and career interests. Work-based learning experiences involve assessment of students' interests, aptitudes, and abilities while learning about career possibilities. These experiences can also increase the chances of employment and community integration for students with disabilities after they graduate or age out. For students to participate in Work-Based Learning opportunities all required paperwork must be signed by parent/guardian and returned to the ATP Teacher or Kingsburg JUHS D office.

Kingsburg JUHS D Extended School Year (ESY)

Kingsburg JUHS D ATP students in accordance with their I.E.P. are eligible to participate in KJUHS D Extended School Year. The purpose of KJUHS D ATP ESY is to provide special education or related services when an interruption of the student's educational plan may cause regression.

In addition, policy updated to add the requirement for teachers to provide identical or equivalent assignments and tests when a student has an excused absence.

Administrative Regulation 5113 - Absences and Excuses

Regulation updated to reflect **NEW LAW (SB 350, 2023)** which requires that (1) a student's absence be excused for up to five days when the absence is for the purpose of attending funeral services or grieving the death of a student's immediate family, or of a person who is determined by the student's parent/guardian to be in such close association with the student as to be considered the student's immediate family, and (2) a student's absence be excused for up to three days when the absence is for the purpose of accessing victim or grief support services or for participating in safety planning as it relates to the death of a student's immediate family member, or of a person who is determined by the student's parent/guardian to be in such close association with the student as to be considered the student's immediate family. Additionally, regulation

updated to reflect **NEW LAW (AB 1503, 2023)** which provides that attendance at a religious retreat may be excused for no more than one school day each semester. In addition, regulation updated to generalize the means of communication from parents/guardians to verify a student absence to keep the language more timeless. Policy also updated for closer alignment with law, clarity, and gender neutrality.

Policy updated to reflect **NEW LAW (AB 278, 2023)** which establishes the Dream Resource Grant Program with the goal of creating Dream Resource Centers at schools that serve students in grades 9-12, and **NEW LAW (SB 223, 2023)** which provides flexibility for pupil personnel services holders to receive authorization to provide child welfare and attendance services by either completing a Commission on Teacher Credentialing (CTC)-approved program of supervised field experience, or a CTC-approved program of professional preparation offered by a local educational agency. Additionally, policy updated to clarify that (1) guidance counseling regarding school programs and career, vocational, or higher education opportunities may not be differentiated based on any protected category specified in law or board policy, and that (2) the district may not use testing or other materials that permit or require impermissible or unlawful differential treatment of students, unless such different materials cover the same occupations and interest areas and the use of such materials is essential to the elimination of bias and discrimination. In addition, policy updated to reflect **NEW LAW (AB 1173, 2023)** which requires a district that serves students in any of grades 9-12 that is planning to hold a college or career fair to notify each community college district that has overlapping jurisdiction of the date, time, and location of the fair, and provide an opportunity for the community college district to participate. Policy also updated to reflect **NEW LAW (AB 665, 2023)** which aligns a section of the Family Code with a related Health and Safety Code section which allows a minor age 12 or older to consent to outpatient mental health counseling or treatment services without parent/guardian consent if, in the opinion of a school psychologist or other professional person, the minor is mature enough to participate intelligently in the services, without having to establish that the minor would present a danger of serious physical or mental harm to themselves or others without the mental counseling or treatment services or that the minor is an alleged victim of incest or child abuse; however the child's parent/guardian is required to be involved unless the professional person determines after consulting with the minor that it would be inappropriate. Policy also updated to delete the requirement for school counselors to assist in the development of the comprehensive safety plan since this is not required by law, but maintained the requirement for school counselors to assist in the development of the disaster preparedness plan, which is part of the comprehensive safety plan.

Board Policy 6177 - Summer Learning Programs

Policy updated to incorporate concepts related to learning recovery, including that the district will provide

Policy also updated to reflect **NEW LAW (AB 723, 2023)** and **NEW LAW (AB 373, 2023)** which require a district to grant priority access for intersession programs to a foster youth and/or to a student experiencing homelessness, and that if during an intersession period the student will be moving, the student's educational rights holder will determine which school the student will attend for the intersession period. Additionally, policy updated to add that a district is required to provide any student who attends a school that is not operating an expanded learning opportunity (ELO) program transportation to attend at a location that is providing an ELO program and to return to the original location or another location that is established by the district.

In addition, regulation updated to (1) reflect that the district will provide the citizens' oversight committee with responses to any and all findings, recommendations, and concerns addressed in the annual independent financial and performance audits within three months of receiving the audits, and (2) to include post-issuance reporting requirements.

Additionally, bylaw updated to reflect **NEW LAW (AB 764, 2023)**, also known as the Fair And Inclusive Redistricting for Municipalities And Political Subdivisions (FAIR MAPS) Act, which establishes a comprehensive set of rules that local governments, including school districts, must follow during the redistricting process. In addition, bylaw updated to reference new Exhibit (1), which includes a non-exhaustive list of offenses the conviction of which makes someone ineligible to be a school board member.
