Time & Effort

Under Extraordinary Circumstances

Policy:

During extended periods of emergency or extraordinary circumstances Kingsburg Joint Union High School District will take necessary steps to adjust time and effort reporting to meet the immediate health and safety needs of students and staff while ensuring documentation is maintained to support the use of federal program funds during the emergency period.

Procedures:

When an emergency or period of extraordinary circumstances is declared by the superintendent or designee disrupting normal work activities for more than two weeks the following procedures will take effect:

- If an extraordinary circumstance results in the closure of school buildings and/or other facilities, or otherwise prohibits employees from working normal hours in their assigned location, the superintendent or designee will determine if employees, paid from all funds sources, will be allowed to work from home where feasible, in the interim. (BP 4113.5(a), BP 4213.5, BP 4313.5)
- 2. Employees' direct supervisors will determine which employees can perform their duties from home and will report that to the superintendent.
- 3. Employees paid in whole or part with federal funds will be required to maintain a work log on a weekly basis, including 100% of their work performed and the program(s) supported by the activities identified.
- 4. Employees working on multiple cost objectives, will submit logs to their direct supervisor on a monthly basis, and the supervisor will be responsible for verifying the accuracy of the reports. Reports may be signed electronically or may be signed and scanned for submission. The Executive Director of Student Services will review and maintain all reports.
- 5. Employees paid from a single federal program, funding source or cost objective, will retain the log and submit it monthly, following normal procedures.

- 6. If the duties of an employee paid in whole or part with federal funds are changed due to the emergency situation, the employee will continue to maintain a log of their activities, the employee's duty statement will be revised within two weeks to reflect the actual duties during the time of emergency and the Chief Business Official will reconcile the budget to reflect actual cost with actual duties performed within two weeks of the end of the emergency situation. Primary consideration will be given to ways employees paid with grant funds can support continuing activities for students served by the grant.
- 7. Employees paid from all fund sources who are unable to perform their normal duties due to school closures or other emergency situations, will be reassigned where feasible, with first priority on activities supporting activities for students served by grant funds, or placed on paid leave based on Kingsburg Joint Union High School District's paid leave policy (AR 4161.1, AR 4161.8, AR 4161.11, AR 4261.1).
- 8. Any waivers of time and effort reporting requirements from federal awarding agencies will be applied to these procedures as applicable.

To Whom it May Concern:

My name is Monica Ruiz, and I am a Resource Specialist Teacher for Parlier Unified School District. I am proud to offer my recommendation of Blanca Montejano to whom I have personally known for 5 years as my friend.

During my relationship with Blanca, I have experienced an individual who shows ip earlier than asked, works hard, and carries themselves in a friendly and respectable manner. Blanca has given much of her personal time volunteering for her son's baseball league as a board member and cares about the community her children grow up in. In addition, Blanca is family-oriented person who has always presented herself with a level head and grace as challenges arise.

Ms. Montejano would make an excellent employee for your organization as she shows great patience with children and adults, she is motivated with any task she has at hand, and she shows empathy when it is needed by others. I believe any organization or school district would benefit greatly once they have been exposed to Blanca's hard work and friendly demeanor.

I am happy to give Ms. Montejano my recommendation.

Please feel free to contact me at (559) 393-7209.

To whom it may concern,

I am writing this letter of recommendation to express my personal experience with Blanca Montejano for her dedication, work ethics and professionalism.

I've known Blanca for over 16 years, where we worked together at the Dinuba Police Department as Patrol Officers. During this time, I have enjoyed working with her, where I observed she is able to balance her work and family life. I have worked alongside her during critical, stressful situations, where I have observed Blanca remain calm and decisive in her decision making abilities. As a Police Officer, we are attributed in contacting the public, taking reports and investigating crimes. Blanca is thorough, detailed and concise with documenting the events.

As an individual, Blanca was a pleasure to work with as she was both compassionate and dedicated in her duties as a Police Officer. During her time as a Police Officer, she has fulfilled several positions of responsibility where she was a Field Training Officer, an Explorer Advisor and facilitated several community outreach events. Blanca had taken the time to obtain her Master's Degree while working fulltime as a Police Officer, accomplishing a personal goal of hers.

I am currently the Vice-President to the Dinuba Police Officer's Association (D.P.O.A), where Blanca had worked alongside me as the D.P.O.A's Treasurer for the past ten years. Blanca continues her role as the D.P.O.A Treasurer, where she assist our Association to provide scholarships to local graduating high school students and provide donations to juvenile sport leagues. The Association also expresses our gratitude toward the citizens in the City of Dinuba during the holiday season with a shoe drives and/or toy drives. Blanca has demonstrated her skills in organizing and planning these event, making them happen. Her willingness to learn new things and improve on herself is one of her strongest attributes.

I have no doubts that Blanca Montejano will meet or exceed your expectations regarding the responsibilities your company is looking for. I am more than willing to take the time to discuss Blanca's experience, skill sets and character if needed. I can be reached on my personal cell phone at 559-593-3042.
